Re: Application No: 09/259,420

Please find the enclosed Amendment D, Second Amendment After Final Under 37 CFR 1.116

I am faxing this revised version signed by my attorney, as I had to travel to his vacation site to obtain his signature, after we discussed this situation via phone yesterday.

We are sending this in before the 3 month deadline of August 21, in hopes that we will have addressed all your concerns and that we can finalize our patent. Please confirm your receipt of this fax and please advise us if there are any other concerns or problems with our amendment.

Thank you very much.

Sincerely,

Tyler Dawson
